

Sno-Park Parking Permits Overview

What has changed this year: A "Discover Pass" is now required for vehicle access to all state lands due to loss of tax-dollar support. What does this mean in our local Sno-Parks? In a nutshell - A Discover Pass will have to be displayed along with One Day Sno-Park permits at the Sno-Parks located within Lake Wenatchee State Park.

Nothing else has changed: A Seasonal Sno-Park Permit (with Groomed Trails sticker) will get you into all Sno-Parks. No Discover Pass is required at Chiwawa, Kahler Glen, Airstrip, or Fish Lake Sno-Parks because these are not on State Land.

Sno-Park Passes

Seasonal Sno-Park Pass with Groomed Trails Sticker* - \$80

This is good at all Sno-Parks State-wide, and any in the region, for that matter. Valid for the 2011 - 2012 Winter Season.

One-Day Sno-Park Pass - \$20

This is all you need for parking at Chiwawa and Kahler Glen Sno-Parks during the date entered on the pass.

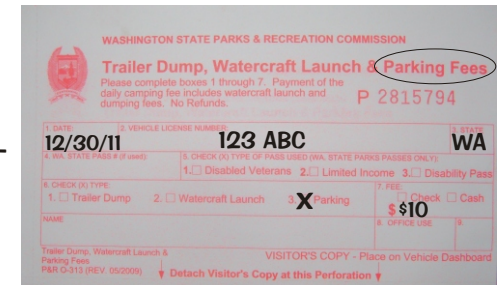

Discover Pass

Annual Discover Pass - \$30
Available online, at 'WILD' vendors, with vehicle registrations, and from Park Rangers.

One of these will be required to be displayed ONLY at the State Park Sno-Parks along with the One-Day Sno-Park pass. These are not required with a Season Sno-Park pass or at any other Sno-parks in the area.

-OR-

Daily State Park Pass - \$10
Available at Self-Registration stations at the State Park Sno-Parks.

Which Permit . . . Where?

In the following parking areas, your vehicle must display:

Chiwawa, Nason Ridge, Fish Lake, Airstrip:

- Or -
